WINE&GO | AMONG CORK OAKS AND WINE GLASSES

A TREKKING ADVENTURE IN THE RISERVA DI SANTO PIETRO TO DISCOVER THE LAND AND ITS WINES

In collaboration with Azienda Vitivinicola Daino (Caltagirone).

The day will begin with a hike inside the Riserva Naturale Orientata Bosco di Santo Pietro, about 20 km from Caltagirone. We will walk through the evocative cork oak forest, one of the most characteristic environments of the Reserve, which is also home to holm oaks, scrubland, and a rich variety of wildlife, including porcupines, foxes, and numerous bird species.

At the end of the hike, we will head to the Azienda Vitivinicola Daino, where lunch will be waiting for us. We will have the opportunity to get to know the winery and its wines up close, wrapping up the day amidst nature, conviviality, and tradition.
